PROFILE

Passionate and detail-oriented System Developer and Graphic Designer with hands-on experience in web development, digital design, and ICT support. Skilled in building user-friendly systems, creative visuals, and providing technical solutions for organizations and individuals.

WORK EXPERIENCE

System Developer — Unity Company

Kigali, Rwanda

Jan 2025 – Present

- Developed a payroll management system to streamline employee salary payments and automate payment processes.
- Built using HTML, CSS, PHP, and MySQLi, with a user-friendly dashboard for HR and management.
- Integrated features for generating salary reports, tracking paid/unpaid staff, and notifying employees via SMS upon payment.
- Reduced manual errors and saved time through efficient digital processing.

Graphic Designer

Kigali, Rwanda

July 2025 – Present

- Designed a variety of marketing materials including posters, flyers, logos, presentations, and social media content.
- Used Photoshop CC, Illustrator, and Figma to create clean, impactful visuals aligned with clients' needs.
- Worked on creative design for memorial events (Kwibuka), faith-based content, and motivational campaigns for youth empowerment.

Kinyarwanda

Kigali, Rwanda
May 2025 – Present

- Assisted with IT equipment setup, software installation, system troubleshooting, and providing technical support to staff and students.
- Prepared documentation, class materials, and internal reports using Microsoft Word, Excel, and Publisher.
- Supported the tech team in maintaining digital learning systems and improving the college's ICT infrastructure.

Frontend Developer (Projects)

Kigali, Rwanda

December 2024 – Present

- Built responsive websites using HTML, CSS, JavaScript, and PHP.
- Created user-friendly interfaces and prototypes using Figma.
- Developed an MVP for a Citizen Complaints & Engagement System to help users submit feedback and complaints to local authorities.
- Designed both admin and user interfaces, focusing on simplicity and accessibility.

Photographer

Kigali, Rwanda

June 2025 – Present

- Provided professional photography services for events, portraits, and personal branding.
- Edited photos using Photoshop CC for high-quality output used in design projects and client portfolios.
- Worked with individuals and organizations to create visual stories through photography.
